— THE INTERIOR DESIGN DESTINATION —

CUE THE HOLIDAY LIGHTS

featuring the Evansview table and Clara chandelier

'Tis the season for hosting and decking your halls—and Ethan Allen is here for all your interior design needs. Our interior designers can dress any home in holiday style—start with a complimentary Design Center or in-home planning session today.

A BREAK FROM THE BUSTLE

Spend a quiet moment beside the tree on our Anderson sofa, hand-tailored here in bay leaf chenille.

ORGANIC VIBES, MODERN STYLE

Our new Natural Sand finish, a wheat-colored wood tone paired with oil-rubbed bronze, takes cues from both nature and industrial design—and it's shown to dramatic effect on our Avon bed.

INTERIOR DESIGN BY ETHAN ALLEN

WHERE THE SKILL OF AN EXCEPTIONAL INTERIOR DESIGNER
MEETS THE CUSTOM CAPABILITIES OF ONE OF THE WORLD'S
MOST TRUSTED FURNITURE MAKERS.

There's no catch—Ethan Allen's interior designers come up with ideas for spaces, help clients place custom furniture orders, and make delivery day a dream come true. **From start to finish, this professional service is complimentary.**

It's for clients who are redoing existing spaces, making fresh starts, designing second homes, or investing in property. Our designers can start with a floor plan, a photo, or a visit to your home—whatever works for you.

Your Ethan Allen designer will help you select fabrics, leathers, and finishes; create custom window treatments, bedding, and more; and manage your project from idea to delivery day. One of the biggest wow moments will be the 3D walk-through they create of your new space.

Some clients know exactly what they want; others say "just make it fabulous." Either way, you'll be amazed by what your home can become in the hands of an Ethan Allen designer.

SUGAR & SPICE

featuring the Spencer sectional

Make everything nice for the most wonderful time of the year. Place a dramatic tree in a cozy corner, add our Spencer sectional in a woven ivory, and sprinkle red, green, and silver all about.

A PLACE TO LINGER

The signature pedestal of our Piermont table has clear neoclassical influences. Shown here in our satiny Rye wood finish, it anchors this formal yet easygoing room.

GUEST READY

Simplified Gustavian notes give our Clayton bed a Swedish farmhouse feel. Layered in our new Scroll Jacquard and Garment-Dyed Velvet bedding, it makes this room feel stylishly elevated yet utterly welcoming.

HOW TO CREATE A TIMELESS LOOK

secrets from an Ethan Allen designer

Becoming an Ethan Allen designer was practically Natalie Lemier's destiny, cemented when her parents designed their home with Ethan Allen while Natalie was in high school. **"The designer came in, measured, even made custom window treatments," she recalls. "I was amazed by the process and knew it was what I wanted to do."**

Another aspect of timeless design: a palette with staying power. Although it doesn't have to be neutral—in fact, Natalie loves moodier colors in her own space—the tones should easily work with new colors a client may bring in later.

She also encourages clients to fearlessly incorporate timeless patterns, like the tonal pattern on the host chair in the dining room to the left. **"A classic damask, a small geometric—these will stand the test of time."**

Her family's experience also gave her an appreciation for the value of Ethan Allen furniture and the importance of long-term thinking in design. "This isn't buy-and-throw-away furniture, so **I take pride in designs that are timeless, ideas clients won't change their minds about in five years.**"

Natalie notes that timeless designs often include legacy pieces that clients want to keep; in the living room to the left, she hung her client's existing artwork over their new Shelton sofa. "Before I go to someone's home, I always say, 'Tell me which pieces you want to keep, so I can make them just as important in the design as the new pieces I'm suggesting.' It helps clients know they can trust me, and that **I'm not just a salesperson. It helps me build long-lasting relationships.**"

3D Floor Plan

Finally, since clients will likely live with her designs for years, **Natalie creates 3D previews that help them feel confident in their choices.** "I re-create their architectural features and even add window views that remind them of their own backyard."

CUSTOM FURNITURE IS WORTH THE WAIT

OUR FURNITURE MAKERS ARE AMONG THE MOST SKILLED AND PASSIONATE PEOPLE IN THE BUSINESS. AT OUR NORTH AMERICAN WORKSHOPS, THEY CRAFT ABOUT 75% OF OUR PRODUCTS, MANAGING THE PROJECT FROM FOREST TO FINISH.

MAIDEN, NC

SILAO, MEXICO

Much of our wood furniture begins with logs we source from Appalachian forests. Our craftspeople select and mill most logs themselves, drying the wood in our own kilns. From there, they shape and assemble each piece, then sand, distress, and finish your furniture by hand.

In our upholstery workshops, your furniture is tailored by hand using fabrics and leathers that meet our stringent requirements for quality. Our artisans add the details you choose, from contrast welting to nailhead trim.

It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.
