FEELING RIGHT AT HOME *in a brand-new place*

When a Pennsylvania couple who'd had their first home designed by Ethan Allen made a cross-country move to Arizona, they asked designer Joe Rossilli for **an interior that made them feel a connection to their new desert surroundings.**

Joe Rossilli
Design Consultant
Chandler, AZ

Opposite page: For the living space, Joe selected the Conway sectional in a light, sand-colored fabric, relying on its **clean angles and ample scale** to anchor the large, open room. Here-and-there dollops of amber pull in the warmer colors of the desert.

Above and to the right: The couple loved an older Ethan Allen art print called *Courage*, which Joe placed front and center in the entryway. **The metal-top Bruckner console table amps up the modern farmhouse vibe.**

Making a big move and looking for a way to make things easier on yourself? Ethan Allen designers like Joe can help manage your interior design project from start to finish. **Schedule your complimentary home call today and start designing the home you've always wanted.**

Joe used Ethan Allen's Floorscanner tool to map out the entryway, living room, and kitchen island's dimensions. **"When I go into a space and tell clients I can build it in 3D before they commit to a design concept, they love it."**

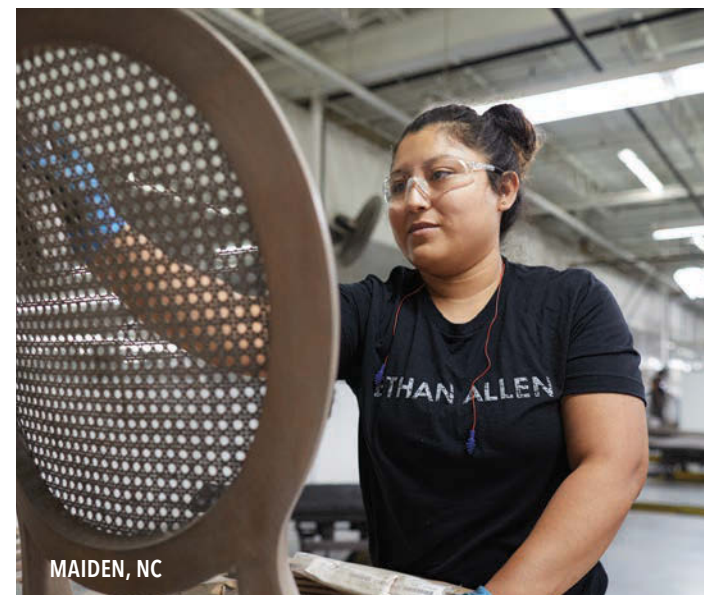

3D Floor Plan

MADE FOR YOU & BUILT TO LAST

WE HEAR IT ALL THE TIME: "I GREW UP WITH ETHAN ALLEN, AND I CAN'T WAIT TO PURCHASE ETHAN ALLEN FURNITURE FOR MY OWN FAMILY."

WE'VE BEEN A PART OF FAMILIES' HOMES—AND LIVES—
FOR 92 YEARS AND COUNTING.

There's long-lasting value in a piece of furniture made by hand to a high standard of quality. That's why we still mill many of our own logs, kiln-dry our wood, and craft most of our furniture ourselves.

Years ago, we watched many furniture companies move their manufacturing overseas. We chose to stay close to home, where our company began—and where **we still craft about 75% of our furniture in our very own workshops.** It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.

EXTEND THE SEASON

Don't cancel your outdoor dinner plans just because cooler breezes are rolling in. Pull on a cardigan, sink into one of our woven Viscaya chairs, and enjoy open-air dining well into autumn.

PARADISE ALWAYS

Our teak Bridgewater Cove collection will give you seasons of delight, from summer days by the water to starry nights by your heated pool.
