INTERIOR DESIGN BY ETHAN ALLEN

WHERE THE SKILL OF AN EXCEPTIONAL INTERIOR DESIGNER
MEETS THE CUSTOM CAPABILITIES OF ONE OF THE WORLD'S
MOST TRUSTED FURNITURE MAKERS.

There's no catch—Ethan Allen's interior designers come up with ideas for spaces, help clients place custom furniture orders, and make delivery day a dream come true. **From start to finish, this professional service is complimentary.**

It's for clients who are redoing existing spaces, making fresh starts, designing second homes, or investing in property. Our designers can start with a floor plan, a photo, or a visit to your home—whatever works for you.

Your Ethan Allen designer will help you select fabrics, leathers, and finishes; create custom window treatments, bedding, and more; and manage your project from idea to delivery day. One of the biggest wow moments will be the 3D walk-through they create of your new space.

Some clients know exactly what they want; others say "just make it fabulous." Either way, you'll be amazed by what your home can become in the hands of an Ethan Allen designer.

AMONG THE EVERGREENS

featuring the Conway sectional

Your guests will say, "I can't believe this is Ethan Allen!" A roomy hand-tailored sectional and plush comforts like our high-low Taimani wool rug make this forest retreat the perfect place for holiday gathering.

TAKE IT ALL IN

In a home with a setting like this,
the low profiles of our
Hendrik chaise and Huntsville
bed become part of the view.

NEW PRODUCT:
▪ Kent Blown-Glass Pendant

FRESH TASTES

Bold details—a sunny-toned accent wall, our Arielle dining chairs hand-tailored in an abstract fabric—add refreshing energy to this modern take on dining in.

lasting relationships.
A LIFETIME OF BEAUTIFUL DESIGNS.

Ethan Allen interior designer Cheryl McNamara of Paramus (River Edge), New Jersey, met a couple who became clients when their oldest child was still a baby. When they wanted a fresh living room in a new home 15 years later—and the same baby had become a teenager—they returned to Cheryl to design something for the next phase in their lives.

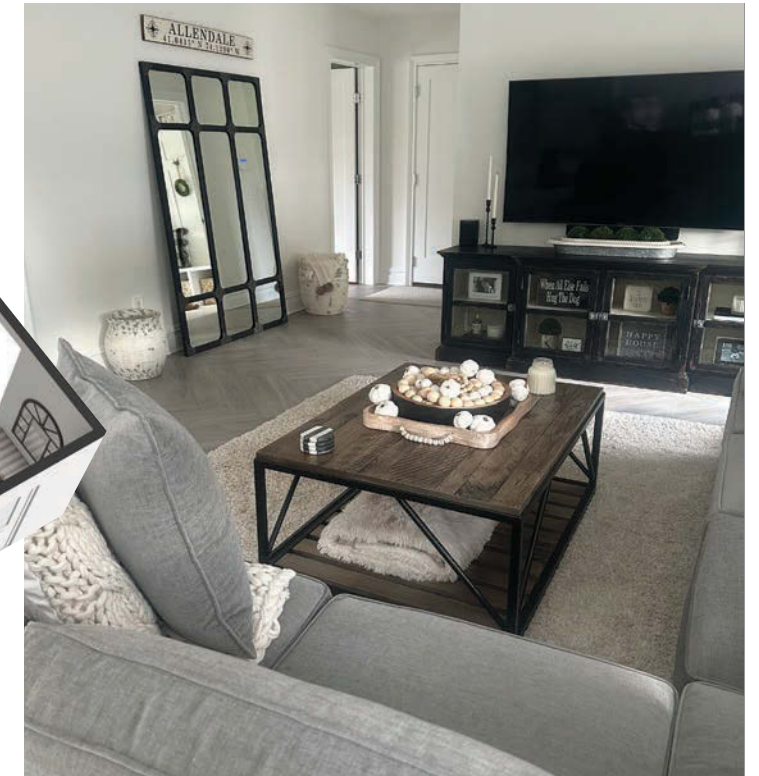

Cheryl McNamara
Interior Design Consultant
Paramus, NJ

These clients had a history with Ethan Allen, and they wanted to bring some legacy pieces, like the artwork over their sectional, to their new home. Cheryl always says, **"If you have something you want to keep, just show me. These items are a great source of inspiration for a room that feels fresh, but still like you."**

At this point in their lives, however, these clients needed plenty of casual space for family entertaining (including the teenagers and pets!). Cheryl created **two side-by-side conversation zones** utilizing our Astor sectional and our Brant chairs, employing a striking monochromatic palette and modern farmhouse elements.

3D Floor Plan

For Cheryl, building long-term relationships is a matter of listening to figure out what's going to make clients happy as their home evolves. **"I don't believe there's a space we can't improve," she says. "We'll find the right floor plan and the right wall color, and we'll get you there."**

An interior design partner who totally gets you is priceless—and they're waiting for you at Ethan Allen. **Find out what we can accomplish for you by scheduling a complimentary design appointment today!**

CUSTOM FURNITURE IS WORTH THE WAIT

OUR FURNITURE MAKERS ARE AMONG THE MOST SKILLED AND PASSIONATE PEOPLE IN THE BUSINESS. AT OUR NORTH AMERICAN WORKSHOPS, THEY CRAFT ABOUT 75% OF OUR PRODUCTS, MANAGING THE PROJECT FROM FOREST TO FINISH.

Much of our wood furniture begins with logs we source from Appalachian forests. Our craftspeople select and mill most logs themselves, drying the wood in our own kilns. From there, they shape and assemble each piece, then sand, distress, and finish your furniture by hand.

In our upholstery workshops, your furniture is tailored by hand using fabrics and leathers that meet our stringent requirements for quality. Our artisans add the details you choose, from contrast welting to nailhead trim.

It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.
